Dannebrog's Grand President Report 2024

First, I would like to thank the officers, delegates, and members for allowing me this opportunity to serve as your Dannebrog Grand President for a second time. Congratulations to the 2023 convention committee on a job well done last year. I am confident that all of those who attended the 2023 convention had a great time. Friday night "Flower Power" was enjoyed by all and a lot of interesting costumes from the past. We will just have to wait and see how Western Night goes tonight. I know it will be a lot of fun!

A special treat for me personally, last year, was recognizing Kathy Thompson as Dannebrog's Member of the Year! Kathy has been continually active in her lodge and at the Grand Lodge level. She is a Past Grand President, Past Grand Trustee, Past Grand Treasurer and soon to be Grand President for a second time.

The Aldersly Retirement Community in San Rafael was started by Dannebrog and Dania over one hundred years ago. A lot of our current members may not have been aware of the history which is why I promoted them during this past year. Aldersly could always use your generous contributions to support their continued efforts.

A great big thank you to our nominating committee; Dennis Nielsen Thyra #3, Sena Marie Freeman Dannevirke #9, and Susan Gauthier Valborg #1. Also, Colleen Heer Cave, NCRS...Nominating Committee Resource Specialists. These resolute Dannebrog members did not hesitate and

graciously accepted the challenge. So, do not run and hide if one or more of them approach you here at the convention. They just may want to say hello!

I was incredibly sad to hear of the unexpected passing of Past Grand President Diane Reinstein. We had such a great time at the 2023 convention, and it was pretty apparent that Diane was enjoying herself with the activities and chatting with those in attendance. Diane was a major mover in the Senior Assistance fundraiser we did several years ago. This benefit generated some nice benefits to the fund. It was a pleasure working with Diane and she will be missed!

On Tuesday July 19, 2023 I had the privilege to attend the official groundbreaking at Aldersly Retirement Community, representing Dannebrog and Dania. The groundbreaking was for their Marselisborg expansion project. President Peter Schakow, who is also a Dania member, provided a brief history of the founding of Aldersly by the members of Dania and Dannebrog and how the home has evolved to what it is today. He then went into the process of developing the concept of Marselisborg to where they are today.

On Saturday August 23, 2023 I had the privilege of attending Thyra #3 and Danmark #2 summer gathering at Kilkare Woods Homeowners Association clubhouse in Sunol. The menu included barbecue chicken and bratwurst. A nice assortment of side dishes and an abundance of a variety of great desserts!

Members from other lodges attending were from Reno, Livermore, Salinas, Modesto, and Hayward. The food was great, and socializing was also great. A lot of chatting and sharing ideas, and what folks have been doing during the summer. I am pretty sure it was a great time had by all! (As the saying goes...)

Next up was the Labor Day holiday event in Ferndale for their annual installation of officers followed by a great dinner and Sunday events to close out the weekend. It was another nice weekend up in the redwoods.

On October 6 I drove up to Reno with my wife and two sisters. A lot of chatting and talking about the past when Dannebrog and Dania had more members and the activities we used to experience. Arrival in Reno was somewhat delayed due to an accident on west bound freeway 80. Took some time to get by that as we were down to one lane east bound. When we arrived at the hotel, we all went for a stroll after checking in and found a location for a nice lunch along the river.

Anette and her committee did their usual outstanding job with the Danish style meal and the conversations around the various tables. After dinner Tom and I conducted the installation of officers along with the awesome outstanding team of Grand Marshals, Tracey and Robert Lamee! Next up was a journey to Livermore for their installation on October 21 at the home of Tracey and Robert Lamee. However, I was fashionably late as my car battery was playing possum and I needed to jump start my car to get to Livermore. I did get there in time for the installation. It is great working with Tom doing the installation of officers along with the more than capable Grand Marshals, Tracey and Robert Lamee! The yard setting was beautiful, and it was a gorgeous afternoon. A fabulous luncheon followed the installation with some great conversations.

Next up on our travels was San Francisco's Christmas luncheon at the Hotel Mac in Richmond on December 9th. This was a well-attended luncheon by members near and far. A delightful luncheon and as always great and interesting conversations around the tables.

February 2, 2024 was the annual installation of officers in Fresno for Thora #11 and Thor #5. Unfortunately, I missed their installation as Susan and I were in Cancun Mexico for a week with some of the family and our incredibly special cute granddaughter. In her twenty-one months with us she has already experienced multiple flights to Texas, Seattle, and southern California.

February 10, 2024 was the installation of officers for San Francisco Thyra #3 and Danmark #2 held at the beautiful Encinal Yacht Club in Alameda. A genuinely nice setting on the estuary on a beautiful day. We enjoyed a delightful lunch followed by a touch of Aquavit.

To wrap up the installations I had a short trip to downtown Benicia at the historic and haunted

Union Hotel for Valborg #1 and Thyra #9. I must say, for a luncheon banquet meal, a lot of us agreed that our host did an excellent job! Did one of the guests actually experience a ghostly encounter?

On May 4, 2024 **“Denmark Day”** event will be held at the Danish Soldiers Club in Petaluma from 11 TO 3PM. They are inviting Dania and Dannebrog members to wear some sort of traditional costume, if possible. Those who wish to volunteer may also do so. It is anticipated that the Denmark Day event will have Young Scandinavians Club members present as well as other Danes, Dania and Dannebrog's participation would be a wonderful way to entice new membership. Entertainment and food will be a part of this get together. Consider attending and promote Dannebrog membership

It was almost a year ago that I became Dannebrog's Grand President in Newark California. As I reflect on the past year as Grand President, I also look back on my over fifty years in Dania and all the Dannebrog and Dania conventions I attended. A lot has changed over the years. The formal attire has gone by the wayside. Local branches are starting to disappear and membership in both Dannebrog and Dania is disappearing as well.

The one thing that has not changed is the friendliness of the remaining membership. Socializing, getting together, creating new memories, new friends and the fun of conventions and local installation where we recall the past good times.

Any ideas on building new membership in both organizations? A lot of ideas have been tried in the past. Certainly, there could be new and improved ideas to sustain these two long-time organizations. In doing what we have been doing for the last ten to twenty years the way to go? Are we able to get our children to join? What about our grandchildren? We all have friends! Now, if we do get them to join how do we get them involved and to come back to subsequent meetings and events? Remember the past festivities at lodge gatherings in addition to their annual installations of officers? We had a lot of get-togethers and a lot of fun! Could that be replicated into today's world! Are people no longer interested in getting together? Sure, folks today are busy and have a lot to do that is vying for their time. What could we do to become relevant in today's world? In closing, I wish Kathy Thomsen the best of luck in her second term, and I am confident she will do an outstanding job as Dannebrog's Grand President! We have a great list of Grand Officers going into their new terms. Thank you Susan Gauthier, PGP Valborg #1, my niece for her work with the Facebook page and the website. Thank you Signe Ann McNeil, PGP Valborg #1, my sister, for her assistance as my advisor during this past year. Lastly Beth Cowan, PGP Valborg #1, what a joy to be each other's Grand Marshals as we were both Grand Presidents. As I stated on April 20, 2018...WHAT WOULD MOM THINK OF ALL OF US NOW? Thank you.

Good of the Order: GP Stuart #1 turned the meeting over to GVP Kathy Thomsen #16. I know you all are waiting in anticipation who my advisor is going to be what the password is going to be, but first of all I want to say something about tomatoes. If you noticed the room in here has tomatoes, on the carpet, in your goodie bags the brochure about tomatoes, because the owner of this place owns a tomato packing plant called Morning Star. I just wanted to acknowledge that. I believe he has done well.

I would like to announce my advisor is Anette Christensen #9, she was my Marshal and we had a good time together and she is very Danish and I want to bring Danish into these Danish Lodge Conventions. Thank you Anette for accepting, looking forward to our year together. She appointed the first delegate of each Branch

to be her assistant. She asked Dennis #3 if he was ready to pass on his cap. She appointed her Nominating Committee: Kathy Christensen #3, Deanna Dunbar #11 and Stuart Mahler #1. For the password, it's a word we are all familiar with, June 15th the year 1219, there's a flag in Estonia that fell from the sky and it is to this day they call this Danish cloth as Dannebrog. We are Dannebrog, so this will be my password. This flag holds the record of being the oldest continuing used national flag. That is my report.

Natalie #15 thank you Stuart #1 for your thoughtful kind gift!

Martha #11 that is a great idea because they do use the funds, thank you Stuart #1.

Kathy #16 read the note that was included in the envelopes to each of Stuart's #1 officers: It is appropriate to give a gift to each of the Grand Officers, this year he has a little card and in it is a little note: As you know, I wanted to renew Dannebrog's awareness of our involvement in creating the Danish retirement home, Aldersly in San Rafael. With our new members in Dannebrog and Dania, I was concerned that they may not be aware of our establishment of Aldersly, which is now over one hundred years old. Being one that is not particularly good at selecting the right gift, I made a contribution to Aldersly on behalf of the 2023-2024 Dannebrog Grand Officers, my advisor for the year, and the member who created the most memberships during our term. Thank you all for what you do for Dannebrog! Thank you Stuart #1

Deanna #11 thank you for the great gift idea Stuart #1, I had never thought of it.

Stuart #1 I heard a comment on how wonderful the singing was yesterday, it did sound more awesome then normal, thank you Anette #9 for leading us in song, she had a good backup from Daniel #3, I think that helped us all. Thank you two!

Dennis #3 would like to share a thank you for your donation to Aldersly. Thyra #3 and Danmark #2

have a member who is very involved in Aldersly, Peter Schakow, who keeps up to date with the expiation that is planned.

Signe Ann #1 as your advisor, as your sister I have been very happy and very proud of what you have done for Dannebrog, I think you have done an excellent job.
